BRAIN FEST

A FILM WRITTEN BY WALI "WORLD" & KHALID BURGOS

A DANA "PRIEST" JONES PRODUCTION

SYNOPSIS

"IF YOU CAN MAKE IT HERE, YOU CAN MAKE IT ANYWHERE".

"Brain Fest" is an up close and personal look into the journey of four teenagers from The South Bronx. After graduating high school, while navigating the pitfalls of the treacherous New York City streets, the group finds light at the end of the tunnel, four hours south in DC. When Bobbi and Kotto enroll at Howard University for the fall semester, they start throwing parties to make some quick cash. As the parties start to gain more and more popularity, Bobbi and Kotto enlist the help of their other two friends from the neighborhood, Raheem and Los. What starts off as an easy, quick money scheme, soon turns into more than the guys bargained for.

LOGLINE

Four inner city friends from The South Bronx embark on a journey toward the good life that challenges everything they know about the meaning of friendship.

THEME

Growing up in the projects is hard. Everyday you walk out that front door pain and life altering decisions are around every corner. “Brain Fest” is the story of four young men that beat the odds while learning expensive life lessons along the way.
